

Ever-evolving Technology. Steadfast Service. A Winning Combination for Community Banks.

The Proof is in the Partnership.

With DCI, you are never just another customer. As your technology provider, we'll take a consultative approach to meeting and surpassing the unique goals of your institution.

Our commitment = your success.

Founded by Bankers, for Bankers.

Our focus is transparent and true: we strive to serve community banks in every aspect, just like we've done for 60 years. Privately owned by DCI customers, we're never limited by the needs of Wall Street—it's your voice that matters. That's why we work closely with you to ensure everything from implementation to support calls are handled swiftly, thoroughly, and personally.
